The students of St Peter’s would like to invite you to an iPad workshop on **Friday the 23rd August** at **2.15** in the Discovery Centre. During this workshop you will have the opportunity to see some of the great ways we are using iPads with our learning and you will also be shown ways you can use the iPad at home. We have students who are eager to share their knowledge and expertise with you so we hope you can come.

*It would be appreciated if there were no toddlers present at this workshop as the students will be running this session themselves.*

*You are welcome to bring your own iPad if you have one*

Please return the attached slip if you wish to attend.
