HANDS-ON SCIENCE
An Experience! Not a Show

**Hands-On Science** offers challenging, enjoyable science and technology activities to encourage children to think. Students are actively involved and encouraged to observe, record, report and conclude from their observations and experiment results.

**Hands-On Science** are visiting our school on **Friday October 31, 2014**

Your child will be participating in a session called **Light**

The cost for this session is **$10.50**

Please complete the form below and return it to school by **14/10/2014**

---

I give permission for my child ____________________________

from grade________ room________ to participate in the visit from **Hands-On Science**.
