Social Justice Initiative

I would like to take this opportunity to thank you all for your support during our recent fundraising events. We raised almost $1200 which has been sent to the East Timor Children’s Fund for our on-going sponsorship of 5 children.

Just this week we have received some information about our sponsored children I have been assured that photos and other information about their lives in East Timor is on the way.

At the moment we have allocated one child to each level and that level will undertake to write to that specific child and tell them a little bit about our school and community. The year Prep children will make a Christmas card for each child.

The names of the children are:

*Vincente de Carvalho who is 12 years old. He is in Grade 4 and Grade 2 will write to him.*

*Amadeu Babo who is 12 years old. He is in Grade 5 and Grade 3 will write to him.*

*Domingas Ramo who is 14 years old. She is in Grade 7 and Grade 4 will write to her.*

*Natalia Rosa Soares who is 14 years old. She is in Grade 7 and Grade 5 will write to her.*

*Fevia Da Costa Corriera who is 11 years old. She is in Grade 5 and Grade 1 will write to her.*

The money raised by the children over the last few weeks will go to the East Timor Children’s Fund and will fund our first 12 months sponsorship for these 5 children. The money left over will support the many initiatives which the fund is supporting in East Timor.

We are grateful for your generosity and hope that this on-going initiative will help our children begin to understand the plight of so many children and their families in one of our closest neighbours, East Timor.
