PERFORMING ARTS

The Whole School focus is Music.

Foundation (Prep) - Wednesday Week A
Foundation students will explore the Beat in different pieces of music. They will use body percussions and some instruments to keep the Beat.

Year 1 - Thursday Week B
The Year 1 students will explore Beat and Rhythm in music. They will use body percussion and percussion instruments to play given rhythm patterns to compose a piece of music.

Year 2 - Tuesday Week B
The Year 2 students will explore the importance of Beat and Rhythm in music. They will use body percussion and percussion instruments to compose and play pieces of music.

Year 3 - Wednesday Week B
The Year 3 students will listen to different pieces of music and communicate what they like about the piece. They will use known features of music such as Beat, Rhythm and Pitch when sharing their thoughts about given music.

Year 4 - Monday Week B
The Year 4 students will listen to different pieces of music and communicate what they like about the piece. They will use known features of music such as Beat, Rhythm, and Pitch. Students will also reflect on how the music made them feel, when sharing their thoughts about given music.

Year 5 - Tuesday Week A
The Year 5 students will explore different styles of music and communicate their thoughts and feelings related to individual pieces. They will use known music features to describe each style of music.

Year 6 - Thursday Week A
The Year 6 students will explore different styles of music and communicate their thoughts and feelings related to individual pieces. They will use known music features and correct terminology to describe each style of music.
