

**ST PETER APOSTLE PRIMARY SCHOOL**  
**Guinane Avenue,**  
**Hoppers Crossing**

**MOBILE PHONES**

Our current school policy on mobile phones is that it is strongly recommended students leave them at home. If for some reason a child must bring their phone, we ask that you complete the following form which outlines the phone's specifications. Each day your child brings the phone to school they will be required to sign a mobile phone register and have the phone placed in a secured area in the Office. In this way we hope to safeguard the children's property. Therefore any student bringing mobile phones to school that are not registered run the risk of having their phone being confiscated.

Regards,

*Karen Wilson*
