

St Peter Apostle Catholic Primary School

Learn, relate and live in the light of the Catholic faith.

Term 2 - Week 9

11th June 2020

Dear Parents

It is with great excitement that we welcomed back our Grade 3-6 students this week. We have been very impressed with the way in which they have settled back into the routine of school and adjusted to the new break times and increased hygiene protocols. The teachers have been pleased to note that learning has continued to develop over the period of distance learning and this is thanks to the great team effort of teachers, students and parents working together to ensure the best possible outcome in what has been a unique and unexpected set of circumstances. Thank you for your wonderful work with your children at home during this time.

One of the difficulties we have been facing, along with all other schools, is how to proceed with the enrolment process of Preps for 2021. The current restrictions have meant that we are unable to proceed with our Prep Information Night as we would normally have done by this time and we are also unable to carry out school tours for new families who have not seen the school yet. We have, however, proceeded with the enrolment process and conducted prep interviews via video conference over the last few weeks and letters of offer are being sent out in the coming week. We will be focusing on the 2021 Prep transition process in Terms 3 and 4. If you know of anyone who would like their child to attend St Peter's next year could you please let them know that enrolments are now open.

Lastly, a big thank you for supporting the school with the adjusted drop off and pick up times. By adhering to the new times as much as possible, we have been able to ensure that the transition to school has been as safe and smooth as possible.

Regards

Karen Wilson

Religious Education

Dear Parents,

As we move into a digital age and more and more resources are online we find ourselves with a surplus of Religious Texts. To Know Worship and Love was a book used in classroom Religious Education programs over the last 10 years. It is a great resource and is written in child friendly language.

We find that we are not using these books in the rooms anymore and would like to offer them to you. If your family are interested in receiving a copy of this text please email Miss Costello at pcostello@stpeterahc.catholic.edu.au with the grades that your children are in and she will organise the appropriate copies for you. Your requests for books will be sent out in a first come first served order until the books have all been given away.

This could be a great opportunity for you to share stories about the life of Jesus with your children.

Canteen Closed

for the remainder of Term 2
due to COVID-19

FEE STATEMENTS 2020

Fees for Term 2 are overdue.

Fee payment Consent Form 2020 [click here](#)

CARE (OSHC)

Late Arrivals & Early Dismissals

Children late for school (after 9.00am) must report to the office for a **LATE PASS**.

If you need to collect your child/children early, you must report **first** to the office to sign out your child.

PLEASE AVOID COLLECTING YOUR CHILD/CHILDREN DURING THE BREAK

If you need to pick your child up during the day due to an appointment, could you please send a note with your child stating the time he/she will be picked up so that your child can be ready at the office when you arrive. This will save time as school break times have changed due to COVID restrictions and the children are outside at different times which can make them difficult to locate quickly.

Medications

It is the policy at St. Peter's that staff members are unable to administer any medication to a child without the parent's written authorisation.

No child is to carry medication on them, unless it is for Asthma. If a child is to be given any medication, parents must report to the office to complete a medical management consent form *prior* to commencement of administering medication. All medication will be administered around 12 noon.
