LIVE

Dear Parents

Thank you for working with us to ensure that the staggered start and finishing times have worked so well in minimising congestion around the school. Next term we will be moving to our usual start and finish time for the whole school, however we will still need to maintain some of the practices we put in place to continue to maintain social distancing and the safety of the community. The routines that the children have learnt this term, particularly with regards to the pick up/drop off lane will put us in good stead for next term and we are encouraging families to use this lane as much as possible next term to encourage social distancing.

Please refer to the below information regarding changes to school start and finish times for all students beginning Monday 13th July (first day of Term 3).

**Access to the school grounds is still restricted to students and staff only.**

Arrival

- School starts at **9.00am** for **all** students
- Students are encouraged to start to arrive at school from **8.45am**
- Students will be able to enter from back gate, front gate near office and drop off lane as they have been this term
- Gates will not open until **8.40am**
- Students who arrive at school before 8.40am will be taken to Before School Care
- Students will not congregate on the basketball court but will go straight to class once they arrive at school from 8.45am - 9.00am

In order to ensure the most efficient running of the drop off lane we are asking that parents **do not** get out of the car to assist their child. We will have three staff members on duty who will supervise children exiting vehicles the length of the lane from the St Peter's statue to the end gate. If your child needs assistance, then the staff member will help them. Please ensure that their school bag is next to them on the seat to make this process easier. It is important that vehicles exiting the carpark do not try and make a right hand turn as this will hold up traffic and interfere with the flow of the drop off lane (Refer to page 4).

End of day

- School finishes at **3.15pm** for **all** students
- Students can be picked up from back gate, front gate near office, church verandah if on foot or pick up lane if in the car
- Parents are encouraged to use the pick up lane
- Siblings will pick up younger siblings before the bell goes
- Parents must ensure that their child knows which gate to meet them at the end of the day
- Students not picked up at 3.30pm will be taken to After school Care

I hope that you all have a wonderful break with your families over the school holidays. Stay safe and we will see you all on the 13th July for a great Term Three!

Regards

*Karen Wilson*

## Religious Education

Dear Parents,

As we move into a digital age and more and more resources are online we find ourselves with a surplus of Religious Texts. To Know Worship and Love was a book used in classroom Religious Education programs over the last 10 years. It is a great resource and is written in child friendly language.

We find that we are not using these books in the rooms anymore and would like to offer them to you. If your family are interested in receiving a copy of this text please email Miss Costello at [pcostello@stpeterahc.catholic.edu.au](mailto:pcostello@stpeterahc.catholic.edu.au) with the grades that your children are in and she will organise the appropriate copies for you. Your requests for books will be sent out in a first come first served order until the books have all been given away.

This could be a great opportunity for you to share stories about the life of Jesus with your children.
