LEARN

RELATE

LIVE

Dear Parents,

We welcome back our current families and extend a warm welcome to the new families who have joined our school community this year. It has been wonderful to see the children settle well into school with their new teachers. A special welcome to the Prep students who started school today. I would also like to welcome our new teachers Mrs Singh and Mrs Malsawmkimi. We also welcome Miss Paniagua and Miss Cauchi who will be joining us as Learning Support Offices.

In other staffing news, I would like to take this opportunity to farewell two much loved members of our staff who are moving on to different roles. Many of you will know Michelle Williams from the school office as she has worked at our school for over ten years and helped many of our parents over the years. Michelle has always been a welcoming face in the office for parents, staff and students alike. She has an amazing wealth of knowledge about our school community and an admirable rapport with our students. She will be a wonderful asset to her new school. We will miss her greatly and wish her all the best in her new endeavors. Vicki Firman has worked at our school for the past 19 years. She began her working life at St Peter's in the Office, then became a Learning Support Officer working mainly with Juniors. She was always a welcoming face in Prep classes and was crucial to helping Preps learn routines and settle into life at St Peter's. She is very creative and was an enormous help with any Art activity and instrumental in helping children to learn and become independent. She will be greatly missed by the staff and students. We wish her well in the next chapter of her life.

The Grade 3 - 6 children have started their swimming program for 2021. We have started to accumulate a number of items in the Lost Property Box. Please ensure that all of your child's belongings are labeled - towel, goggles, hat, jumper, school bag etc to minimise losses.

A reminder that the school gates will not open until 8.40am in the morning. In the interest of the pick up lane moving as quickly as possible in the afternoon, please do not arrive before 3.10pm. This will help traffic flow around the school.

The school shares information with families in a number of ways. In order to stay up-to-date with events at the school, please make sure that in addition to reading the newsletter, you install the St Peter Apostle App (where you can also read the newsletter) and join our Facebook Group.

Regards
