Dear Parents,

Congratulations to all the teachers and students for a very successful athletics carnival last Monday. The weather was reasonably kind to us as we avoided the rain and the students thoroughly enjoyed the opportunity to compete in a variety of different events. A big thank you to Mr Gurrisi for all of his organisation in putting this event together.

On Friday we will be celebrating our second school assembly for this year. This time our assembly will be hosted by our Grade Two students and we look forward to seeing their amazing performances on the day. In the audience we will have our Grade One and Three students as well as the recipients of our Praise Awards. We also welcome the Grade Two parents to come and enjoy the performances with us. Our assembly will start at 2.15 and will be held in the church hall. Entry will be via the carpark doors.

At the moment we are conducting our interviews for Preps 2023. Spaces are filling fast so please make sure that you fill in an online application if you have a child who will be starting school next year.

Just a reminder that school gates are not opened until 8.40 in the mornings. This means that children who are left outside gates before this time are unsupervised. At the moment we have children who are being left quite early in the mornings at the front office and we are concerned about the safety risk this poses. If you need to go to work early then there is a before school care facility offered that you can enrol in. If children are left outside the school before gates are open they will be taken to before school care and parents will be notified. I ask that you please support us in keeping your children safe and that you do not leave them outside the school early in the mornings.

I'd like to take this opportunity to farewell Ms Tahnia Trusler who is leaving St Peter's to take up a new appointment. Tahnia has had a very positive impact on many students at our school over the last eight years of teaching Visual Arts and she will be greatly missed.

Finally a reminder that Friday, 10th June is a School Closure Day (No School for the children).

Regards

*Karen Wilson*

### BORROWED CLOTHING/SICK BAY DONATIONS

If your child has had to borrow any items of clothing at school, please ensure that these are washed and returned to the school as soon as possible. We are always grateful for any clothing donations for the school sick bay and office to use as spares for students.

It is best to keep a spare set of clothing, including underwear and socks, in your child's bag as we have limited supplies in sickbay.

## SPORTS NEWS

On the 6th of May our students competed in the District Cross Country Carnival which was held at Heathdale Christian College. St Peter's put up an incredible effort in what was a very difficult course. We finished in 6th place with Heathdale Christian College coming away with the win overall. Well done to these students who finished in the top 10 in their events and therefore progressed to the Division Cross Country Carnival which will be held at Presidents Park on the 1st June. Aleksandra K, Madison P, James G & Jessica F.

Also a big Congratulations to all of the students who were a part of this year's Cross Country Team.

## HOUSE ATHLETICS DAY

Our students had a wonderful time at our House Athletics Day on Monday, 9th May. More photos will be uploaded to our Facebook Page and Website this week.

# IT TAKES A SPARK!

## THOMAS CARR COLLEGE STEM CONFERENCE

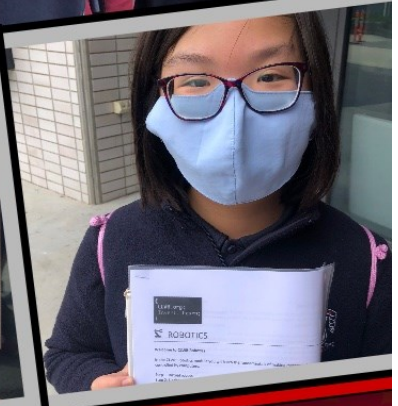

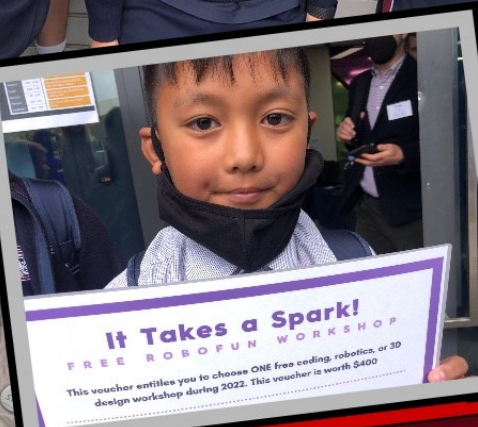

Recently a group of Year 4 & 5 students represented St Peters at the 'It takes a spark' STEM conference.

They participated in 3 STEM challenges;

1. The 3 Billy Goats Gruff; aiming to get the goats to the other side away from the trolls.
2. Egg drop protection; using only paper design an engineering system to protect an egg.
3. Make a difference challenge; using only paper and tape design a resource to assist a student with Rett Syndrome to hold a pen.

Additionally they heard guest speakers working in the field of engineering or science.

Overall, the students had an amazing time and have returned with the expertise in the areas of critical thinking, design and technology.

**Congratulations to the raffle winners:**  
*Eljohn won a voucher for a STEM program for St Peters, and Giang won for herself a Lego Sparks kit.*
