LEARN

RELATE

LIVE

Dear Parents,

I am pleased to announce that over the coming months I will be sharing with you the plans for our brand new, double story, learning centre which will commence building this year. This Senior Learning Centre will be built in place of the large blue sheds at the end of the basketball courts and will accommodate six classrooms, two project spaces, a large project room and a student toilet block that can be accessed at break times for students on the oval side of the school. We are so excited to be able to continue to develop our school in this way and look forward to sharing this process with the whole community.

St Peter's Day will be celebrated by the school tomorrow and this day will include a Subway lunch for those students who return their note and a school disco. Please note that take away food from other venues will NOT be allowed during the event. If your child does not wish to participate you are welcome to send a packed lunch with your child as usual. Students are encouraged to wear disco, or casual clothes for this day.

It has been disappointing to note the number of drivers who are not following the rules of our carpark or the roads around the perimeter of the school. Turning in and out of the carpark illegally and performing U turns on Guinane Avenue is causing traffic jams and putting the safety of pedestrians at risk. Please remember that we are all setting examples for our children and our focus as a community should be on ensuring that our students understand the importance of safety. The school drop off lane is flowing well once the gates open in the mornings and afternoon and I would encourage families to make use of this as much as possible.

Please be aware that we have had a report of personal belongings being stolen from cars during pick up times.

Well done to the Grade Four students who performed for us all at their assembly last week. This was the first time the Grade Four students had performed at an assembly at St Peter's for a couple of years and they did an amazing job. The songs they sang were quite uplifting and reflected the learnings that they have had this term. I would also like to congratulate the recipients of our Recognition Awards this term.

Thank you to everyone for another great term. I hope you all have a lovely time with your families and I look forward to seeing everyone back at school on the 11th July.

Regards

*Karen Wilson*

DRESS IN YOUR DISCO GEAR

Congratulations to Maddison P (5A) who competed at Brimbank Park in the Western Metropolitan Region Cross Country Championships last week. She did an incredible job to overcome a cold and rainy day in what was an extremely challenging course. Maddison finished 48th in the region for her age group and we are very proud of her accomplishments. Well done Maddison!

### PREP MELBOURNE MUSEUM EXCURSION

Our Preps went to the Melbourne Museum for their first-ever excursion. They had a wonderful day learning about the past. A huge THANK YOU to our parent helpers - without you days like this couldn't go ahead.
