LIVE

Dear Parents,

Congratulations to the students in Grade Four who have received the Sacrament of First Eucharist throughout May. Receiving communion is a special milestone in the faith journey of our students and allows them to be part of our Parish Community in a new way. Thank you to the classroom teachers and Ms Costello who helped to prepare the students for this special occasion. Please keep these children in your prayers.

Our Grade Two students performed well for their first-ever assembly on Friday 20th May. The students were able to share the things they have been learning about in class throughout the term. It was wonderful to see so many families in the audience, having missed out on so many of these events over the last two years. Our next assembly, hosted by the Grade Four students, will take place on 17th June.

With winter now upon us, there are many cases of cold and flu around. It is important that if a student is unwell, even if they are testing negative for covid, that they remain at home. Staying at home when ill, helps students to recover faster and helps to stop the spreading of germs throughout the rest of the school community.

As part of our St Peter's Feast Day celebrations on 24th June, the students will have the opportunity to have a special Subway lunch. Students will bring home an order form for this lunch on Monday. While the cost of this lunch will be covered by the school, it is important that the order forms are returned to the school on time to ensure the lunch can be ordered.

Finally, a reminder that next Friday 10th June is a School Closure Day. There will be no school for students on this day.

Regards

Karen Wilson

BORROWED CLOTHING/SICK BAY DONATIONS

If your child has had to borrow any items of clothing at school, please ensure that these are washed and returned to the school as soon as possible. We are always grateful for any clothing donations for the school sick bay and office to use as spares for students.

It is best to keep a spare set of clothing, including underwear and socks, in your child's bag as we have limited supplies in sickbay.

FULL STEAM AHEAD!

Year 5 participated in a STEM program run by Akron Education Services. This program is based on the Catholic Social teachings and Pope Francis' message in Laudato Si; 'The spirit of life dwells in every living creature and calls us to enter into a relationship with him.'

The first challenge for today was exploring natural disasters and the impact they have on people and their environment. The students were asked to design a portable shelter that could be transported as a flat pack and easily assembled. This challenged the students' thinking as well as their mathematical knowledge and design skills. They created some unique and strong designs.

The second challenge was to design an item that would assist someone with a disability. The students collaborated and designed items to meet the needs of a specific disability and began ideating how this item or service would look, be distributed or accessed by them.

SPORTS NEWS

On Monday 9th May, St Peter's held its annual House Athletics carnival at the VU Athletics track. All students competed in the 100m, 200m, 80m Hurdles, Shot Put, Discus, Triple Jump and Long Jump events. Our students embraced the day and all who attended are to be commended for their efforts. Congratulations to Stuart House who came out as winners on the day.
