Dear Families

It has been a great couple of weeks at St Peter's with lots of exciting things happening. On Friday the prep students celebrated 100 days of school. The children came to school ready for a fun day and the costumes were well planned, imaginative and very creative. The teachers planned a wide range of activities to celebrate the number 100 and it was great to see the enthusiasm shared by all involved.

On Friday we also had the Grade One Assembly in the school hall. The grade one students and teachers spent a lot of time rehearsing their performances and by all accounts it was a very successful event. A special mention to all of the students who received awards on the day.

Last week the school sent some students to compete in the District Athletics. The whole team put in a fantastic effort and I am pleased to say that we came equal second overall in the competition. We also have some students who competed so well that they have made it to Divisions. A special thank you to Mr Gurrisi who has been working with these students to prepare them for this event.

Recently we have had some students design projects as part of the STEM MAD Initiative. Subsequently, one of these teams has been invited to present their work at a national showcase over the coming weeks. Congratulations to Naomi, Lucia, Maddison and Jane on this great achievement. Thank you to Mrs Horvath for her wonderful work in the area of STEM in our school.

Just a reminder that enrolments for Year 7 in 2024 at Thomas Carr College are closing soon. If your child is in Grade 5 and you would like them to attend Thomas Carr, then please apply for enrolment now.

Regards

Karen Wilson
Principal
