LEARN

RELATE

LIVE

Dear Families

Tomorrow the Grade One students will present their first ever assembly at St Peter's. The teachers and students have dedicated time to rehearsing so that their performances are entertaining and educational. Grade 1 Parents are welcome to attend the assembly, however we ask that if possible, masks are worn to promote the safety of our community.

Over the last few weeks the Life Education Program has been running at the school. This program promotes the physical, social and emotional health and wellbeing of children. The program has been very well received by all who have attended and the students have enjoyed the opportunity to learn more about these very important topics.

Just a reminder that we are encouraging families to use the pick up and drop off lane as much as possible to ease congestion around the school. We have noticed an increase in usage over the last couple of weeks and the lane has still been moving steadily. If using the pick up lane, it's important to arrive at school after 3.15 as that is when the students are dismissed. This will stop cars banking up along the road and will give students time to leave their classrooms and be ready at the gate. Please do not use the bus parking spot in front of the school office building to drop off or pick up your children.

Regards

*Karen Wilson*

Karen Wilson  
Principal

*A new Credit Card debit payment form needs to be filled every year for monthly/fortnightly payments.*

## St Peter's Got Talent!

Last term many students from Grades 2-6 participated in the 'St Peter's Got Talent' talent shows across 7 weeks of the term. Students showcased their talents to an audience and it was amazing to see the range of talents that our students have! Students performed dance acts, singing, played musical instruments, performed comedy acts and did magic tricks. The students involved did an amazing job and the audiences were in awe! Well done to all of the students involved!

### The Arts Committee

August 2022

Dear Parents, Guardians and Carers

**Re: Nationally Consistent Collection of Data on School Students with Disability (NCCD)**

Every year, all schools in Australia participate in the Nationally Consistent Collection of Data on School Students with Disability (NCCD). The NCCD process requires schools to identify information already available in the school about supports provided to students with disability. These relate to legislative requirements under the *Disability Discrimination Act 1992* and the Disability Standards for Education 2005, in line with the *NCCD guidelines (2019)*.

Information provided about students to the Australian Government for the NCCD includes:

- year of schooling
- category of disability: physical, cognitive, sensory or social/emotional
- level of adjustment provided: support provided within quality differentiated teaching practice, supplementary, substantial or extensive.

This information assists schools to:

- formally recognise the supports and adjustments provided to students with disability in schools
- consider how they can strengthen the support of students with disability in schools
- develop shared practices so that they can review their learning programs in order to improve educational outcomes for students with disability.

The NCCD provides state and federal governments with the information they need to plan more broadly for the support of students with disability.

The NCCD will have no direct impact on your child and your child will not be involved in any testing process. The school will provide data to the Australian Government in such a way that **no individual student will be able to be identified** – the privacy and confidentiality of all students is ensured. All information is protected by privacy laws that regulate the collection, storage and disclosure of personal information. To find out more about these matters, please refer to the [Australian Government's Privacy Policy \(https://www.dese.gov.au/about-us/resources/department-education-skills-and-employment-complete-privacy-policy-0\)](https://www.dese.gov.au/about-us/resources/department-education-skills-and-employment-complete-privacy-policy-0).

A Factsheet can be found here [NCCD Parent and Guardian Fact Sheet](#)

Further information about the NCCD can be found on the [NCCD Portal \(https://www.nccd.edu.au\)](https://www.nccd.edu.au).

If you have any questions about the NCCD, please contact me at the school.

Kind regards

**Pattie McCusker**

**Learning Diversity**

**PLEASE NOTE**

Yoghurt zings and fruit jellies are out of stock until further notice

**NEW ITEMS (from 21st July)**

Hot Chocolate \$1.50
