Dear Families

Last Friday we had our first prep orientation for our 2023 students. The new students were excited to be experiencing school for the first time and it was a great opportunity for the teachers to get to know the students. Our next prep orientation will be on Wednesday the 9th November.

On Friday the Prep - 2 children participated in tabloid sports which was facilitated by Kaboom. The students had a great time engaging with the different stations and they were supported by the Grade 6 sport's captains on the day. A special thank you to Mr Gurrisi who organised the day.

On Saturday night I was fortunate enough to attend the St Peter's Parish Golden Jubilee Celebration Dinner at St Jame's Hall. There were a huge number of parishioners there on the night and a significant number of these were also members of our school community. This night was an amazing end to the parish celebrations and a wonderful way to come together as a community.

Just a reminder that Monday the 31st October is a school closure day. There will be no school for students on this day.

Regards,

Karen Wilson

SCHOOL UNIFORM TERM 4— No Hat No Play

As a 'Sunsmart' school all children are required to wear a hat during recess times. We have a 'No hat - No play' policy, so children without a hat will be required to remain in the shade during recess and lunchtime. We thank you for your support.

CHANGES TO SCHOOL FEES - 2023

Next year the school will be changing the way it structures its Bring Your Own Device (BYOD) Program in response to the changing needs of the students and best practice for the school in moving forward. At the moment, families are asked to purchase devices for their children upfront in Grade 3 so that these can be used at school. Moving forward, the school will be using a leasing model which allows families to pay devices off while the student is at school from Grades 3 to Grade 6. To facilitate this we will be introducing an ICT levy in school fees that will cover the cost of the device over the four years. This levy will cover costs, including a carry case and the student will own the device when they graduate in Grade 6.

If your family is eligible for the Reduced Fees Policy and you have been approved through the formal approval process, then the ICT levy will be included in the discount fees offered.

The benefits of this new program are as follows:

- Every Grade 3 child will have a device to use at school
- The device will be owned by the student
- The device does not need to be fully paid for at the start of Grade 3

The new ICT levy will start in Grade 3 next year only, as higher grades will still be part of the previous BYOD Program. In 2024 the levy will be extended to Grades 3 and 4.

A new Credit Card debit payment form needs to be filled every year for monthly/fortnightly payments.

Congratulations to Madison P who competed at Keilor Park Athletics Track for the Western Metropolitan Region Primary Track & Field Finals on the 18th of October. She came up against some incredibly high competition which was an awesome experience for her. Maddison finished 14th in the region for her the U11 age group and we are once again very proud of her achievements. Well done Maddison, your dedication in the lead up to this event was very impressive.
